Wish to come?

Of course! The Morvan is too beautiful and life here is too good! The nature is beautiful, the terrain is varied but rather technical, you breathe clean air and it's CALM! There is also a lot to do, see and visit for those who wish to visit, rest, explore or practice other activities. And if you would like to explore this beautiful region by bike; no problem! We have a range of bikes (almost all new and very well maintained) for rent. Our offer varies from hiker bikes to road bikes, mountain bikes, gravel bikes and even two power assisted all terrain bikes!
